R.E. Summer Series 5 Track Results

Unfortunately on Saturday at Trusts Stadium, there was a timing issue with the Photo Finish Equipment.

After numerous attempts to solve the problem our officials were unable to do so.

Athletics Auckland apologise to all the athletes that were affected. The placings listed in the results are correct.

IAAF Rule 165.18 " A system which operates automatically at either the start or the finish, but not at both, shall be considered to produce neither Hand or Fully Automatic Times, and shall not therefore be used to obtain official times. **In this case, the times read on the image will not, under any circumstances, be considered as official, but the image may be used as a valid support in order to determine positions and adjust time intervals between athletes**".

Athletics Auckland wishes all athletes the best for the remaining part of the season.

Remember, if you are intending on going to the Athletics NZ Track and Field Championships you will need to book your own flights.

Kind Regards,

Peter Booker
