

I joined the Board of Athletics Auckland in August 2016. I have previously served as President of the Hamilton City Hawks Road and Cross Country Section, and on the Athletics Waikato BOP Centre Executive.

I have competed at a Regional and National Level from the 5000m to the Marathon. Highlights would include breaking 2:35 for the Marathon and being part of the 2015 Senior National Road Relays gold medal team. I now compete in the Masters grade.

For my career I have worked in business across the Biotech, Nutritional and Agritech sectors.

I am very keen to work with clubs and other stakeholders on how we can deliver more value for our members and grow participation in the sport.
