

ATHLETICS AUCKLAND INC.

Annual Report 2013

Fulfilling Lives...

Athletics is an exclusive collection of sporting events that involve competitive running, jumping, throwing, and walking. Athletics is one of the most commonly competed sports in the world, with prehistoric roots, and organised events traced back to the Ancient Olympic Games from 776 BC. Athletic meets form the backbone of the modern Olympics, and other leading international meetings.

1877, the first Athletic Club in Auckland was founded. By 1987, it was the oldest Athletic's Club existent in New Zealand.

Athletics Auckland Inc. (AAI), is a not for profit regional sporting organisation devoted to the advancement and education of youth in the broader community, from North Harbour through to Franklin areas including Primary, Intermediate and High schools.

AAI provides opportunities for children to participate in quality organised, individual and team based sports while gaining exposure to good sportsmanship and benefits derived from a team effort. Central to the core mission of AAI is development, we aim to

instil a sense of community within our athletes and help them to gain functional experience that will assist them in the future. AAI activities promote positive change and help to produce fit, healthy and active young people who will make positive choices, pursue their dreams and maximise their potential to lead fulfilling lives.

Just as our youth need educational activities and health services for positive emotional and developmental growth, they also need necessary athletic and recreational activities, which provide

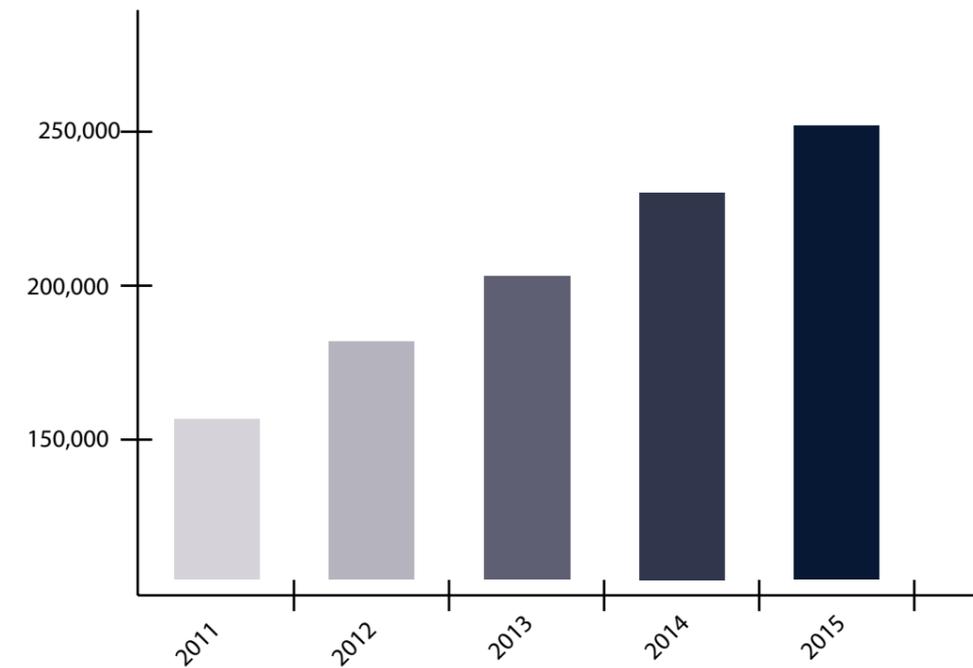

them with the skills and tools needed to achieve their goals and undergird their efforts to be a productive member of the community.

AAI has recently partnered with the John Walker Find Your Field of Dreams Foundation, extending to them unlimited use of the facilities for the at risk youth of Auckland.

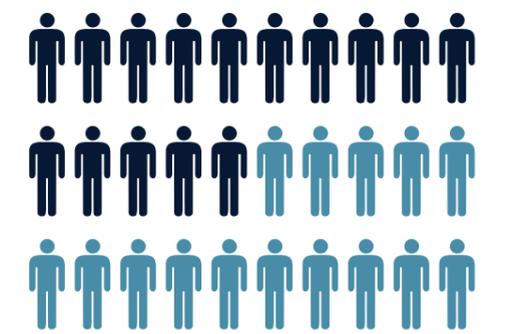

We feel that this partnership is an ideal match, for our missions are aligned in that we encourage the young people of Auckland's area to pursue a more active lifestyle

through sport and physical recreation that leads to a fitter, healthier and more caring community.

Our mission is to improve the position of AAI as a resource for athletes and the community.

AUDIENCE STATISTICS

Athletics Auckland is growing at a rapid rate.

Our projections indicate that we will have a steady audience of close to 250,000 by 2015. A strong spectator base helps us to amplify our message by demonstrating that the athletics community is robust, healthy and growing. Strength in numbers is the metaphor that underpins Athletics Auckland and separates us from other organisations.

From the Chairman

Athletics Auckland has achieved some notable strategic milestones in the year just gone and we are on track to continue our development in the year ahead.

Through our marketing drive, we increased membership by nearly 500 on the previous year. This brings membership back to a level higher than three years ago. The deployment of our Sport Development Officer in enhancing our contact and engagement with schools, regional sport organisations and other interested parties has been pivotal in gaining more exposure for our sport. We still have a long way to go and will continue and expand this strategy this year. Whilst overall membership is up, some sections have shown a drop in members and we are working on some new initiatives around feature events to help reverse this trend and keep interest in athletics on the increase.

Our strategic objective to achieve more revenue

from sources other than registrations has again been successful with continuation of grants for partial cover of our operating costs and the Sport Development Officer role for a further year. This allows us to now confidently plan investment in athlete services and support. Visible evidence of this will start to appear soon as we undertake an equipment upgrade of the AAI gymnasium enhancing its value to both athletes and coaches.

Our requirement to pay the Athletics New Zealand levy based on historic membership numbers remains a difficulty in forward financial planning but we are in discussion with ANZ towards a better approach as they move to a direct registration system. Our coaching program was delayed this season due to uncertainty around funding. Athletics Auckland remains committed to continuing and expanding this program and will formulate a season program for an early start this summer. We are working on some exciting ideas around athlete development

programs for that critical age that interfaces juniors and seniors in order to show a pathway to future success in athletics.

The social media phenomenon has been embraced by Athletics Auckland with the establishment of AAI on Facebook and I encourage you to get involved. We are also investigating new website options to allow better communication, information sharing and functionality such as on line registrations and payments. We are working with ANZ on this as they move to the IMG system and hope to have this in place for the coming summer season.

As always provision of sufficient officials at meetings remains a problem despite quite large numbers taking the officials courses and gaining a qualification. We aim to review the program this year and see where we can make it more attractive for people to participate. Again I ask all clubs, parents, friends of athletics to look outside their club and

consider what they contribute to our sport in the wider sense and where they could assist in taking our sport to a higher level. We can only achieve growth and development if everyone is aiming positively in the same direction.

I am grateful for the time, effort and dedication of your Board of Directors, and our staff members Raewyn and Anthony for their positive drive to promote and improve our sport. To the many volunteers during the year I sincerely thank all who have contributed to providing a great experience for our athletes. Without you we would be unable to provide the services, events and development our athletes deserve.

Peter Wyatt
Chairman

From the President

Athletics Auckland has enjoyed another full year of competition and success across all levels. Despite not being able to compete at Mt Smart during most of the summer season, athletes were able to achieve top performances at other venues in Auckland and the Centre is indebted to the Yvette Williams Track at Pakuranga, Massey Park Papakura, Douglas Track and Field at Waitakere, Kensington Park Whangarei and the AUT Millennium Stadium on the North Shore for the use of their facilities while the new track was being laid at Mt Smart. The meeting at Massey Park also celebrated the Papakura Club's 75th jubilee. The first major event held on the new track at Mt Smart was the Auckland championships, which gave the athletes an opportunity of getting the feel of the track before the New Zealand championships held at Mt Smart three weeks later. Auckland also hosted the national combined events championships at Waitakere where Scott McLaren and Portia Bing won the senior titles.

Congratulations to all the Auckland athletes who made New Zealand representative teams. Congratulations to Valerie Adams on her Gold Medal in the shot put at the London Olympic Games and to Sarah Cowley heptathlon, Brent Newdick decathlon and Kimberley Smith marathon who also represented the country at the London Olympics. We also recognise and congratulate Valerie Adams on being awarded the New Zealand Sportswoman of the Year for the seventh year in a row. Congratulations to Jacko Gill on winning the Gold Medal in the shot put at the world junior championships in Barcelona. We also acknowledge the performances of Siositina Hakeai fourth in the discus throw, Portia Bing fifth in the heptathlon and Merewarihi Vaka discus throw, Nicholas Southgate pole vault and Ben Moynihan 1500m who also competed at the world junior championships.

Twelve Auckland athletes set New Zealand records

during the season. Valerie Adams indoor shot put; Joshua Hawkins 110m hurdles; Matthew Bloxham hammer throw; Nicholas Southgate pole vault; Declan Wilson 3000m; Siositina Hakeai discus throw; Kerry Charlesworth pole vault; Eliza McCartney pole vault; Megan Kikuchi, Tori Kolose, Celine Pearn and Lucy Jacobs U17 4x400m relay.

My thanks to the sections and officials and their teams led by Peter Booker, Dianne Craddock, Sharon Grass and development officer Anthony Curry for all they do in organising and ensuring the smooth running of our sport. Thanks to the Board and chairman Peter Wyatt who together with Peter Booker worked well with the Council in having Mt Smart track resurfaced. We recognise the support and thank Regional Facilities Auckland for all of their work in ensuring that Mt Smart Stadium number two ground remains the home of Athletics in Auckland.

Cross country and road enjoyed a successful season of events and racing. Lisa Robertson won the national women's half marathon title. We thank Dianne Craddock and the team of officials that assisted with the recent Queen Street Mile.

The Auckland Juniors also had a full season of competition with the highlight being the 85 athletics that travelled to Australia for the Trans Tasman event where they won 57 medals. We thank the Junior Executive Committee for all the work involved with the Trans Tasman event each year. Teams also competed at the 12/13 Interprovincial competition in Timaru and the 14/17 Interprovincial competition in Masterton. Thank you to Craig Hewett for his assistance with the Interprovincial teams.

We remember those of our sport who have passed away during the year and the contribution that they

Murray McKinnon
President

have made. Frank Atkinson, on 21 June 2012, Centre Secretary for 11 years 1970-81; Jack Ralston, on 26 August 2012, renowned coach of many successful runners; Syd Taylor, on 2 September 2012, well known master runner and Life Member of the Glen Eden Club since 1965; Katy Tapling, on 14 October 2012, Life Member of the Glen Eden Club and Life Member of Auckland Masters Athletics; Kelvin Montgomery, on 30 October 2012, who served as an official for over 50 years; Alf Insley, on 8 March 2013, served as official starter for over 40 years and Life Member of the Papakura Club; Tony Jackson, on 9 March 2013, former chairman of the Auckland cross country and road committee and director of road walks at the 1990 Commonwealth Games; Geoff Braybrooke, on 8 March 2013, former Papakura Club and Centre official; Chris Trabling, on 5 May 2013, high jump champion and coach.

Thank you to our office manager Raewyn Rodger for her contribution during the year in managing the affairs of the Association and assisting with organising teams to the national championships. Thank you to Sue Bearda for her time during the summer months outfitting the Auckland teams. Thanks to our treasurer Jim Hogg for his work in looking after the finances of the Centre. Thanks also to the volunteers in our sport. Your contribution, enthusiasm and hard work at your clubs and at centre events make it all possible.

Cross Country & Road

Diane Craddock

It was another solid season for the Cross Country and Road section this year.

The Auckland Centre was strongly represented at the NZ Cross Country and NZ Road Championships, held in Hamilton and Wellington respectively.

Conditions in Hamilton were very muddy providing what some would call a "true" Cross Country course, suiting many of our Auckland contestants. All of our teams medalled and many of our Athletes had strong individual results and personal medals.

This was followed by the Road Championships in Wellington with all our teams gaining medals, and many Athletes achieving individual medals.

It is the policy of our committee to send full teams to each of these Championship events so that not only are we well represented as a region, but also that we expose as many of our Athletes as possible to running in events that include the top runners in New Zealand. The consistently good results that Auckland has achieved over the years since team representation was re-instated encourages us to continue this commitment to our teams.

This year the Australian Cross Country Championships were in Adelaide. Again, assisted by the generous support of the Calliope Club, a small development team attended. The aim of this tour is to expose our promising Athletes to the first level of international representation.

Our Domestic competition was slightly reduced in numbers this year and as I write this report our committee is working on several ideas to try and promote Cross Country and Road running as a sport.

On behalf of our committee I would like to thank all those volunteers who give up many hours to organise and officiate at all the races conducted over the season. Thanks also to all the Athletes who support our races and to all the coaches and parents who train and support our competitors.

Having completed another successful season we now look forward to another year and as mentioned the implementation of some new ideas.

Sharon Grass, Maiya Christini, Niven Longapoa & Murray McKinnon

Another successful year has come to an end for the junior section of Athletics Auckland. It was pleasing to see athlete numbers for juniors up on the previous season and good entries numbers into major championship events, with some outstanding performances by individual athletes.

The challenge of being out of our home track for much of the season was overcome with the support of all clubs and especially the Papakura Club for the welcoming use of Massey Park for the Relays and Top Ten events. It shows that by working together as clubs we can make things work well. Clubs have also continued to show good support for open days and ribbon days around the region.

At the national level we again competed in the 12/13 year Interprovincial competition, this year in Timaru, where the Auckland team gaining 4th place behind Wellington, Canterbury and Waikato/Bay of Plenty

and the Auckland Counties-Manukau team placed 6th. The team strengths were hindered by the costs of the event being in the South Island and the closeness to the NI Secondary Schools competition the following weekend. Team managers acknowledged the commitment and enthusiasm of those that competed.

A team was also sent to the U16/U18 Interprovincial competition in Masterton. Both the 14/15 and 16/17 teams ended up 3rd in their respective competitions. It is great to see this event growing and being an important link through to the senior levels of competition. Appreciation goes to the coaching and management staff of these teams for all of their efforts and time commitments.

At the international level it was the away year for the Trans Tasman 10/11 year old event. 85 athletes and 27 adults travelled to Sydney for the 9 day tour in January. The team gained 29 individual medals and 57 team medals from the Challenge day against the New South Wales team. The team faced some fairly extreme temperatures while in Australia but with the excellent facilities at St Gregory's College in Campbell town they were endured. Again the athletes gained life-long friendships from the experience. Thanks to the Management team for their hours of dedicated organisation to make the tour happen and to the adults who travelled as age group managers and training managers. The group as a whole worked well together and the experience of the parents that have travelled before was extremely valuable.

During the season over 580 medals were presented through the championship, relay and pentathlon events. A total of 5 Auckland championship records

Junior's

Sharon Grass

were broken. Some very promising athletes are coming through the age groups and I look forward to seeing their results in the future.

It was great to be back into Mt Smart Stadium, the home of Athletics Auckland, and on the new track for the Junior Championship event. We all look forward to using this great new track in the 2013-14 season.

A huge thank you has to go out to the many officials and supporters who have helped to make the seasons championship events run successfully and smoothly. The support of the clubs in encouraging parents to become officials is extremely important to our sport. The continuing uptake of clubs into the coaching programme is a positive step forward.

Thank you also to the delegates who contribute to the management of the season's events and their contributions to the monthly delegates meetings. Input from the clubs through these meetings is a key connection that needs to be maintained to encourage athletes to participate in events provided by the association.

Lastly it should be acknowledged that the season could not have run as successfully without the Junior Executive, who are a dedicated and hardworking group who provide an outstanding service to the athletes and the clubs. Many thanks to them for their enormous time and effort, it is much appreciated by athletes, clubs and parents.

Let us look forward to a new and exciting year of athletics for the 2013/14 season.

Track & Field

Peter Booker

The season commenced in October with the first four meets held at Mt Smart before the redevelopment work commenced. Throughout the rest of the season meets were held at Waitakere, Papakura, North Harbour and Pakuranga. We also held a meet in Whangarei on the 12th January. We felt the opportunity to take a meet to Whangarei was one that could not be turned down and we look to continue to do so in the future.

Mt Smart was ready two days before the Auckland Championships at which we had over 250 entries. NZ records were broken by Joshua Hawkins and Eliza McCartney. The official opening of the track was held on the 23rd of March during the New Zealand Track and Field Championships. We need to thank Regional Facilities Auckland in providing and managing the redevelopment of the Mt Smart athletics facility. In particular we thank Paul Nisbet, Mark Gosling, Phil Briars and James Parkinson for their assistance and support. This redevelopment has restored Mt Smart to a world class athletics facility.

For the second year in a row, Athletics Auckland hosted the New Zealand Track and Field Championships at Mt Smart Stadium. Auckland selected 158 athletes and the team was ably managed by Sue Bearda with assistance from Dave Norris, Raewyn Rodger and Richard Kee. 30 individual athletes from Auckland also competed. Over the three days there was a total spectator attendance of just over 7200.

Auckland team medals
Gold = 47
Silver = 42
Bronze = 34

Five Auckland records were broken over the Championships. These included

- Jared Free U18 Men 10km Road Walk
- Joshua Hawkins U20 Men 110m Hurdles
- U18 Men 4x100m Relay team (Austen Heuvel, Adam Ramsdale, Hamish Gill and Brett Farrell)
- U18 Men 4x400m Relay team (Bailey Stewart, Michael Dawson, Ethan Vaughan and Henry Boyhan)
- U18 Women 4x400m Relay team (Megan Kikuchi, Tori Kolose, Celine Pearn and Lucy Jacobs)

Thanks must go the Local Organising Committee for their countless hours put in to organising what is the Athletics New Zealand flagship event. The LOC was Peter Booker (Chairman), Howard Baker, Trevor Cowley, Paul Craddock, Anthony Curry, Dave Norris and Peter Wyatt.

During the season the Hammer cage was painted by Trevor Cowley and Peter Booker with paint supplied by Wattyl Paints.

Thanks to the Sponsors of the Nationals who are listed below:

- Massey University
- Auckland Council
- Howick and Otahuhu Local Boards
- Auckland Co-op Taxis
- Green Valley Milk
- Radio Sport
- Sports Technology International
- Infinity Trust
- Trillian Trust
- Constellation Communities Trust

The Athletics New Zealand Combined Events Championships returned to Auckland for the first time since 2008. This Championship was held at Waitakere on the 16th and 17th February. Thanks must go to Howard Baker and his team from the Waitakere Athletics club and all the Auckland Officials for their commitment over the two days. New Zealand titles were won by Scott McLaren (Senior Men Decathlon), Portia Bing (Senior Women Heptathlon), Pascal Kethers (Junior Men Decathlon) and Paige Harwood (Junior Women Heptathlon). Silver Medals went to Nick Gerrard, Aaron Booth and Hannah Brough while the Bronze Medals went to Richard Callister, Natalie Booth and Natasha Eady.

Once again Athletics Auckland hosted 40 schools which included everything from Primary to Secondary, three Secondary Schools Zonal Championships and the Auckland Secondary Schools Track and Field Championships. I would like to thank the Athletics Auckland Office (Anthony and Raewyn) for coordinating the bookings and the officials and Bert Chapman for looking after the schools while on site. Thanks to Sue Bearda, Geoff Haigh, Trevor Davis, Lee Norris, Phillip and Matthew Wyatt for officiating on a regular basis.

Athlete selected for the IAAF World Championships
Valerie Adams (Pakuranga)

Athletes selected for the World University Championships
Portia Bing (NHB) – Heptathlon
Kerry Charlesworth (NHB) – Pole Vault
Te Rina Keenan (Waitakere) – Discus and Shot Put
Elizabeth Lamb (Waitakere) – High Jump
Leesa Lealaisalanoa (Waitakere) – Discus
Tama Toki (ACA) – 4x400m Relay

Athletes selected for the IAAF World Youth Championships
Matt Bloxham (NHB) – Hammer and Shot Put
Audrey Gregan (ACA) – 3000m
Megan Kikuchi (Takapuna) – Medley Relay
Eliza McCartney (NHB) – Pole Vault
Sam Ulufonua (Manurewa) - Discus
Benedict Chong Wong (Waitakere)- Shot Put

Athletes selected for the Oceania Athletics Championships
Aaron Booth (Waitakere) – Men's Octathlon
Natalie Booth (Waitakere) – 100m Hurdles and 400m Hurdles
Luca Denee (Takapuna) – 110m Hurdles and Pole Vault
Austen Heuvel (Pakuranga) – 100m and 200m
Nick Gerrard (NHB) – Men's Decathlon
Louise Jones (Pakuranga) – 200m and 400m
Josh Maisey (ACA) – 5000m and 10000m
Cory McDermott (Waitakere) – High Jump
Jordan Peters (ACA) – High Jump
Jenni Scott (Waitakere) – Triple Jump
Bailey Stewart (Pakuranga) – 400m
Phillip Wyatt (NHB) – Triple Jump

Results from International Competition
Valerie Adams – 1st 2012 Olympic Shot Put
Portia Bing – 1st Australian Women's Heptathlon Championship
Scott McLaren – 1st Australian Men's Decathlon Championship
Phillip Wyatt – 3rd Australian Triple Jump Championship
Sarah Cowley – 3rd Australian High Jump Championship
Te Rina Keenan – 1st Australian Shot Put and Discus Championships
Siositina Hakeai – 3rd Australian Discus Championship
Nicholas Southgate – 3rd Australian Pole Vault Championship Schools

Regional Coaching

Dave Norris

Because of the late arrival of funding, activities could start only in January 2013 which restricted them since clubs and schools generally have more demand and time for coaching assistance in October and November.

Funding was \$5000 each from GACU (Greater Auckland Coaching Unit), Athletics NZ and Athletics Auckland. Not all of the funds were used and we are pleased that the balance will be available for the 2013-14 programme which is being finalised now.

Coaches used were Millie McNie, Richard Key, James Mortimer, Chris Pilone, Rob Mallinder, Didier Poppe, Erin Norris, Tony Sargisson, Neil Bartlett, Kevin Hoare and Dave Norris.

Activities delivered:

1. Basic Athletics Skills (BAS) – Attended by 132 junior club coaches and parents from 11 clubs and 1 Regional Sports Trust. Clubs were Papakura, Roskill South, North Harbour Bays, Eastern, Pakuranga, Manurewa, Papatoetoe, Lynndale, Waiuku, Avondale, Te Atatu.

2. Coaching in schools – To prepare secondary schools athletes for their February and March championships. Not well attended: 11 athletes in two sessions. Timing was poor.

3. Athletics NZ Development Level 2 – 8 separate event courses of 3 hours each. Attended by 71 coaches from 12 Auckland clubs, 2 clubs from other centres, 5 schools and 1 Regional Sports Trust. Clubs represented were: Waitakere, Whangarei, NH Bays, Riverhead, Pt.Chev, Takapuna, ACA, Eastern, Papatoetoe, Papakura, Roskill South, Tauranga, Manurewa, Pakuranga.

4. Secondary School Dual Meets – Not originally part of the programme but we used some programme coaches and competing athletes as officials, who also acted in a coaching capacity. School teams provided 3 athletes each over 9 events, in dual matches on four Friday afternoons in November and December last year. There were 3 qualifying matches and a grand final, with a fifth session of open competition for individual athletes. This was a pilot scheme held at North Shore and although it had a coaching component, no coaching funds were spent on it. The success and popularity of it warrants it being extended for this year across other parts of Auckland. Participation was 12 teams (boys and girls separately) from 8 schools of year 9 and 10 students.

Counties conducted a different though similar competition and it is recommended that these two schemes be evaluated and a consistent competition be implemented across Auckland this summer. The assistance of Rosie Graham (AthleticsNZ) and Raewyn Rodger (Athletics Auckland) was appreciated.

Nationals Day 1 22.03.13 Marten Bearda

Independent Auditor's Report

Athletics Auckland Inc. Statement of Financial Performance for the year ended 31 March 2013

We have audited the financial statements of Athletics Auckland Incorporated, which comprise the statement of financial position as at 31 March 2013, and the statement of financial performance for the year then ended and a summary of significant accounting policies and other explanatory information.

The Board are responsible for the preparation of financial statements in accordance with generally accepted accounting practice in New Zealand and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement whether due to fraud or error.

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing (New Zealand). Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involved performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of financial statements that give a true and fair view of the matters to which they relate in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates, as well as evaluating the presentation of financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion. Other than in our capacity as auditor we have no relationship with, or interests in Athletics Auckland Incorporated.

In our opinion, the financial statements fairly represent in all material respects, the financial position of Athletics Auckland Incorporated as at the 31 March 2013, and its financial performance for the year then ended in accordance with generally accepted accounting practice in New Zealand.

We have obtained all the information and explanations that we have required. In our opinion, proper accounting records have been kept by Athletics Auckland Incorporated as far as it appears from an examination of those records.

Our audit was completed on 29 September 2013 and our opinion is expressed at that date.
