MITRE 10 PARK, HASTINGS MARCH 6th-8th, 2021

The Team will be selected over the course of the 2020-21 NZ Track & Field season. **The final Team will be announced on Feb 9th 2021.**

The **Auckland Team Selection Guideline and the Selection Rules** are posted on the Athletics Auckland website. The Selection Guidelines are provided to give athletes and coaches a performance indicator. **They are guidelines ONLY**, not rigid standards. The Selectors will be looking at all performances by Auckland athletes throughout the season, and making additional selections on the basis of performance, current form and rankings.

Pathways to Selection

- **Bettering a performance guideline** within the qualification rules will gain automatic selection to the Auckland Team.
- **Regularly competing in Athletics Auckland Meets** during the 2020-21 Track & Field Season.
- **Gaining a high rank** on the Auckland and/or Athletics New Zealand ranking lists.
- **Competing at the 2021 Auckland Track & Field Championships**, Feb 6th & 7th, 2021. **Entries to the Auckland Champs close on Jan 27th, 2021.**

If you are keen to represent Auckland at the Championships - or wish to recommend an athlete for consideration - talk to one of the Selectors, or email them an expression of interest. **You do not have to wait until you are selected to the Auckland Team to enter the Championships.** If you enter event/s as a Club athlete and are later selected to the Auckland Team your accreditation will be automatically transferred from your Club to Auckland.

Selected athletes are free to enter any events they wish, providing they have achieved the Athletics New Zealand entry standard for the grade in which they intend to compete. **All athletes will need to make their own flight bookings and their own accommodation bookings.** All athletes will need to enter themselves & pay the applicable entry fees when entries open on the Athletics NZ website.

If you have any queries, feel free to ask one of the Selectors, or contact the Auckland Centre: office@athleticsauckland.co.nz.
