

## PROCEDURES FOR SUBMITTING AN APPLICATION FOR A RECORD

If the performance has been achieved at a competition in one of the competitions listed in CR1.5 & 1.6 of the World Athletics Competition and Technical Rules (pages 33 & 34 of the 2020 edition), or in a permit event ratified by Athletics NZ for selection and international ranking purposes, (listed by World Athletics as being Category OW, DF, GW, GL, A, B, C, D, E, F (<https://www.iaaf.org/world-ranking-rules/basics>)), then **NO APPLICATION FOR A RECORD FOR A PERFORMANCE IS REQUIRED**. In other words, if the performance is listed in the results section of the World Athletics website, then **NO APPLICATION FOR A RECORD FOR A PERFORMANCE IS REQUIRED**. The performance will be automatically ratified as a record by Athletics New Zealand based on the official results of the competition.

An Application is required for a record for a performance achieved at a competition other than stated above, and such application, together with the requisite certificates duly completed, shall be made on the official form and filed with the Athletics NZ National Office within a period of thirty (30) days [or two (2) calendar months for a performance achieved at a competition held outside of NZ] from the date of the performance.

If you are unsure of whether to complete an Application for a Record, please contact the New Zealand Statistician ([stats@athletics.org.nz](mailto:stats@athletics.org.nz)) to ascertain if an Application for a Record is required.

### **Types of Records**

**A NZ Allcomers Record** may be held by a competitor from overseas if the performance has been made in competition in NZ.

**A NZ National Record** can only be held by a New Zealand citizen.

**A NZ Resident Record** can only be held by a NZ resident and the performance must have been made in competition in NZ.

*NOTE: A competitor from overseas is a person temporarily visiting or residing in NZ or who is not domiciled in NZ. "Resident" means an athlete who is an Active Member of Athletics NZ and who has resided continuously in NZ for at least 12 months.*

**No performance shall be recognized as a New Zealand record until it has been ratified by Athletics NZ in accordance with procedures approved by the Board of Directors.**

**Please also note the following table that shows the number and grade of the officials that are required for a National record to be approved, if the performance is achieved in New Zealand. Please also note that these are all minimum gradings. If in doubt please check, Do not assume it will be okay.**
