

## Junior Cross Country and Road Events and Point System

### 1. Junior Relays Series

There are six relay events that makes up the Junior Harrier Relays series for grades U16 and below:

- Race 1: South Centennial Relays
- Race 2: Oratia Relays
- Race 3: Glen Eden Children's Relays
- Race 4: Auckland Teams Cross Country
- Race 5: Auckland City Athletics Pairs Relays
- Race 6: Massey Trial Junior Relays

Points are allocated at each event, for each of the Hansen and Turnco Shields. The winners will be the clubs with the highest score over the five events.

If a club does not have enough runners to form full teams, they can form a combined team with another club – noting that this cannot be the fastest runners from clubs to form an elite team. In such instances points will be split across clubs.

#### • Race 1: South Centennial Relays

- **Venue:** Sacred Heart College
- **Date:** Saturday 22<sup>nd</sup> April 2023
- **Distance:** Each runner will run a 2km lap
- **Entry Fee:** tba
- **Team Composition:** Teams are made up out of 4 runners, any grade (U8 – U16), male or female.

- This event is open to Club or Non-Club athletes (AAI Registration not required for this event).
- The Relay is conducted under 2 categories for each event: 1<sup>st</sup> on Handicap and Fastest Time.
- Fastest team must include at least one girl.
- There is also a Race Walk Relay included in the competition.
- An athlete can run twice in the same team, but that team will not be eligible for the fastest team award.
- Handicap results will be based on the closeness of estimated to actual times for each team.

- Changes to teams are accepted on the day BUT only changes for non-appearance of athletes or order change are allowed. The athlete's name only will be changed – the initial estimated time supplied will stand. Changes are made on the Individual Team Result Sheet supplied in the Team Race Pack.
- No additional teams may be entered on the day.
- Last lap runner MUST wear 'last runner' number supplied.
- Clubs are asked to complete the Individual Team Result Sheet (cumulative times only required). When completed the entry form must be placed in the box by the finish.
- Watches or heart monitors are NOT ALLOWED, nor may any times or instruction to speed up or slow down be given by team members, coaches or spectators – otherwise a disqualification will occur. The purpose of the event is to run to the estimated time without any assistance.
- Points for the Shields are awarded as follows:
  - Teams closest to estimated time - 88 points
  - Team 2<sup>nd</sup> closest to estimated time - 84 points

- 7<sup>th</sup> Placed Club - 4 points
- 8<sup>th</sup> Placed Club - 3 points
- 9<sup>th</sup> Placed Club - 2 points
- 10<sup>th</sup> Placed Club - 1 point

The Winners will be the clubs with the highest score over the five events.

## 2. Grand Prix Series

- The Grand Prix Series is run over 5 events, with 4 being Cross Country and the final event being the Road Championships.
- The Children's Series is held across the season and clubs compete for the Hansen Shield and the Turnco Shield and will be noted on the calendar of events as "Junior Series".
- An Open Social Run / Fun Run is offered for 3 of the 5 Grand Prix races. This is not part of the Grand Prix and athletes will not be eligible to earn points. Registered and Unregistered athletes can enter the Fun Run. No pre-registration is required to run in this event.
- The Grand Prix series is open to all registered athletes – U8 and up.

- **Races for 2023 will be as follows:**

- **Grand Prix Race 1:**

**Date:** Saturday 20<sup>th</sup> May 2023

**Venue:** Pakuranga Athletic Club

This is an all-rounder's course with some open fast running on the playing fields and some more technical and muddier steeper bits as well. Pakuranga has a tuck shop where you can grab hot food and a drink and catch up after the race.

- **Grand Prix Race 2 / Cross Country Teams Championships:**

**Date:** Saturday 10<sup>th</sup> June 2023

**Venue:** Barry Curtis Park, Flat Bush

As well as competing for individual points in the Grand Prix series, you also gain points for your club, so you run as a team. It is a bit like the American NCAA races. If you win your category, you get 1 point, if you are 2<sup>nd</sup>, you get 2 points. The team with the lowest overall score wins. It's great fun and every position for every runner counts.

- **Grand Prix Race 3 / Cross Country Championships:**

**Date:** Saturday 24<sup>th</sup> June 2023

**Venue:** Pukekohe Show Grounds

Known as a "true cross country event" – there are hills, longish grass and often a bit of mud!

As well as competing for Grand Prix points, the Auckland Cross Country Titles are at stake so fields are usually stronger for this race. For the older runners - Auckland representative teams for the National Cross-Country Championships are selected here, so it's an important race if you want to compete at the National Champs in Taupo on the 29<sup>th</sup> July 2023.

▪ **Grand Prix Race 4:**

**Date:** Saturday 22<sup>nd</sup> July 2023

**Venue:** Long Bay Reserve

The Long Bay course is well-drained with a sandy base, so it is fast and dry. It's also short – Only 2km for the Junior Grades (up to U16). This is the course to show off your wheels and your sprint finish. It's also right on the beach – so why not make a day of it – and go for a walk or a cool down jog afterwards?

▪ **Grand Prix Race 5 / Road Championships:**

**Date:** 26 August (to be confirmed)

**Venue:** To be confirmed

The Grand Prix series finishes with the Auckland Road Champs. The Auckland Road Race Titles are up for grabs as well as selection for the Auckland representative teams for NZ Road Champs (for older runners), which is being held on 4<sup>th</sup> September in Upper Hutt, Wellington.

• **Grand Prix Race Registration Procedures:**

- All athletes must pre-register prior to the cut-off date.
- Athletes must report to the Registration Desk to receive their race number which will have a transponder attached to it.
- All athletes should arrive an hour prior to their race to give enough time to collect their race number with the transponder attached, check out the course layout and complete warm-up preparations.
- Start times vary for each event and programme/course map and venue directors can be found under the Event on the Athletics Auckland Website.
- Runners may run up a Grade, however, they will not be able to gain GP points in their own grade for any race where they have run up an age grade. This must be done via an email to the office ([office@athleticsauckland.co.nz](mailto:office@athleticsauckland.co.nz)) and the appropriate fee paid.

• **Grand Prix Points Allocation:**

- Individual points are allocated as you compete.
- Points of all races are combined to make up the total season points.
- It is okay if you miss one of the GP races, as your lowest scoring run (if all five have been completed) will be dropped off from the points table at the end of the season.
- *Points are allocated as follows:*

- 1 <sup>st</sup> runner across the line:	100 points
- 2 <sup>nd</sup> runner across the line:	99 points
- 3 <sup>rd</sup> runner across the line:	98 points
- 4 <sup>th</sup> runner across the line:	97 points
- 5 <sup>th</sup> runner across the line:	96 points
- 6 <sup>th</sup> runner across the line:	95 points
- 7 <sup>th</sup> runner across the line:	94 points
- 8 <sup>th</sup> runner across the line:	93 points
- 9 <sup>th</sup> runner across the line:	92 points
- 10 <sup>th</sup> runner across the line:	91 points
- 11 <sup>th</sup> , 12 <sup>th</sup> , 13 <sup>th</sup> , etc runners across line:	90 points, 89 points, 88 points, etc
