

Auckland Junior Championships and Auckland Junior Resident Record – Rules
Effective from 23 January 2024

1. The athlete achieving the record must be a financial member of an Athletics Auckland Club at the time of the record being broken.
2. The age of the athlete is taken as at 31st December and for the purpose of records is that athletes age grade for the season.
3. The record shall be better than or equal to the existing record for that event. If a record is equalled it shall have the same status as the original record.
4. **Auckland Junior Championship records** can only be achieved at the Auckland Junior Track and Field Championships and the Auckland Junior Relay Championships for track relays only (i.e. not field events at the Auckland Junior Relay Championships).
5. Records must be submitted using the Athletics Auckland Junior Record Application form (which is found on the Athletics Auckland website). Once the form has been submitted to the Athletics Auckland Junior Records Committee and all details of the record have been accepted as correct the record will be ratified by the Auckland Junior Records Committee. The record will then be presented at the next Athletics Auckland Junior Delegates Committee meeting to be noted in the meeting minutes.
6. For Records in Running and Racewalking Events the following conditions must be respected:
 - a. The record must be timed by an approved Fully Automatic Photo Finish System.
 - b. For all records up to and including 200m, information concerning the wind velocity, measured as indicated in Rules TR17 shall be submitted. If the wind velocity, measured in the direction of running, behind the athlete averages more than 2 metres per second, the Record will not be accepted.
 - c. For Racewalking events – At least four (4) judges must be present and all of the judges must hold an Athletics NZ grading.
 - d. Track and Racewalk Records must be ratified by the Track Referee.
7. For Records in Field Events the following conditions must be respected:
 - a. In Long Jump information concerning the wind velocity, measured as indicated in Rules TR29 shall be submitted. If the wind velocity, measured in the direction of jumping, behind the athlete averages more than 2 metres per second, the Record will not be accepted.
 - b. In throwing events, all implements shall be weighed before the competition commences and certified by the Field Referee.
 - c. Discus, Shot put and long jump records are required to be measured and ratified with a fibreglass measuring tape.
 - d. High Jump records are required to be measured with a metal bar or metal measuring tape.
 - e. Field Event Records must be ratified by the Field Referee.
