Entry Procedures for All Races:

- Ensure name of runner and estimated lap time for each runner is included. The relay is conducted under 2 categories for each event; 1st on handicap and fastest time.
- An athlete can run twice in the same team; but that team will not be eligible for fastest team award.
- Handicap results will be based on the closeness of estimated to actual times for each team.
- Changes to teams are accepted on the day but **only changes for non appearance of athletes or order change are allowed. The athlete name only will be changed – the estimated time initially supplied will stand. Changes are made on the Individual Team Result Sheet supplied in the Team Race Pack.**
- No additional teams may be entered on the day.
- **Last lap runner MUST** wear LAST RUNNER number supplied.
- Clubs are asked to **complete the Individual Team Result Sheet (cumulative times only required)**. When completed, please put in the box by the finish.
- Watches, or heart monitors, are **not** to be worn NOR may times or instruction to speed up or slow down be given by team members, coaches or spectators – otherwise you **will** be disqualified!! The purpose of the event is to run to the estimated time without any assistance.
