

2025 Auckland Junior Athletics Championships - Rules

Auckland Athletics (juniors) applies rules in this order e.g.: 1 overrides 4

1. Special Meet Rules (this document)
2. Athletics Auckland
3. Athletics New Zealand
4. World Athletics

1. General

- **The meeting manager reserves the right to vary or advance the programme. It is in the best interest of every athlete to remain at the venue.**
- **The organising committee relies on parent volunteers to assist with running the championships. No volunteers = no events.**
- **Clubs will be allocated duties for parent volunteers to help run events on the days of competition. Failure by the club to provide the required number of parent volunteers will result in all athletes of that club being ineligible to participate in the championships on that day.**
- **If a club wishes to have its athletes enter championship events but the required number of parents are not interested in volunteering to assist, the club will need to pay a fee of \$350 per day in-lieu of arranging parent volunteers. This is to be paid one week in advance of the championship dates.**
- Where not specifically set out in these rules, the relevant ANZ and World Athletics rules will apply.
- Only meeting officials, those parent helpers required to run an event and Team Managers will be allowed in the centre of the arena.
- Grade 7-9yr athletes - will compete in divisions for track and field. Pennants will be awarded for the top 3 place getters and ribbons for the next athletes in the division.
- Grade 10 – 14yr Athletes – the top 3 athletes in each event will be awarded medals.
- Every effort will be made to ensure the programme runs to time and in the order laid out. The Organising Committee also reserves the right to allow the programme to run up to 30 minutes early if the situation arises so it's in the athlete's best interest to remain at the venue until the completion of the events.
- **Athletes may NOT compete in another age group. They must compete in the age group shown on their age patch.**

2. Entries

- Entries for all grades will only be taken online, using the approved Athletics Auckland system.
- Entries open **Friday 31 January 2025 and close at 11:59pm Friday 14th February 2025**. Entries or changes to entries will not be accepted after this date. Refunds for this competition are not available so please enter correctly.
- Athletes can enter **any number of** events remaining in the Auckland Championship Athletics competition. However, parents need to be mindful what their child /children can tolerate.
- Entry Fees - \$6 per event.
- Non-Auckland Athletes - Athletes from outside Auckland affiliated clubs can be considered for entry via their Centre. The following conditions apply:
 - o Only 2 per age grade and gender for each event per Centre.
 - o Medals will be awarded for a place alongside an Auckland registered athlete who achieved the same place compared to other Auckland athletes.
- Any non-Auckland athlete who wishes to be considered should contact their Centre Secretary for further information.

3. Uniforms

- All athletes **must compete in their official Club uniform with age patch showing name, and firmly attached on the front of their competition singlet**. If bike pants are worn, they must be either the colour of the clubs official uniform, or Black. NO multi coloured bike pants will be allowed. In addition, no casual non-competition type shorts, NRL shorts, or board shorts will be allowed for competition purposes. If you cannot obtain club-coloured shorts you must wear BLACK shorts.
- A black or white tee shirt maybe worn under the club's competition singlet (sunburn).
- Hats may be worn during events. Any mark made by a hat falling into the sand during a Long Jump will be used to measure if it is attached to the body at the point of landing. It will be a foul if a hat falls during a throwing event and the athlete leans out to the front of the circle to retrieve it as they are essentially touching the ground. It will also be a foul if a hat dislodges the high jump bar.
- Shoelaces will not determine fouls within the circle in throwing events; it must be a part of the foot (i.e. the shoe itself) that fouls the circle.

4. Health and Safety

- In the interests of safety to athletes, coaches, officials, volunteers and spectators the following should be adhered to at all times:

- Entry to the Competition Area is to be made by athletes under control of officials.
